

EFFECTIVE JULY 13, 2020 8 AM

FACE MASK REQUIRED

- We will have 2 large tents for outdoor classes
- Swimming indoors does not require a mask but getting to and from the pools does
- Outdoor ordering for the restaurant will be added
- We will work with anyone with a medical condition prohibiting them from wearing a mask. Please bring this to management's attention
- We ask that members do not take on the role of mask enforcement with other members while working out
- For additional questions please visit the Public Health website at <https://publichealthmdc.com/coronavirus/masks>

Let's all try to adhere to the Public Health guidelines and continue to make working out a positive experience for all members.
